Counsel,

We are currently working to secure third-party consent to provide this information. We will follow up with a response as soon as we hear back from the third-party. Should Singular be given consent by the third-party, we will immediately supplement the interrogatory response accordingly. Subject to that consent, we also intend to produce a document, which would be referenced in the supplemental response.

Please let us know if you have any questions in the meantime.

Best regards,

Michael J. Ercolini

Counsel,

Singular's recent document production suggests that NextDroid was a potential "new evaluation customer," and that Dr. Bates "was negotiating" with NextDroid. See SINGULAR-00015925; SINGULAR-00018743; SINGULAR-00019232; *see also* SINGULAR-00023309 ("Singular also licenses to NextDroid.").

Singular's Second Supplemental Response to Interrogatory No. 11, however, makes no mention of Dr. Bates' commercialization attempts with NextDroid. As you know, Google's Interrogatory No. 11 requests all facts related to Singular's attempts to commercialize and was the subject of Google's motion to compel. Please confirm that Singular will supplement its response with a narrative description of Dr. Bates' work with NextDroid no later than Monday May 3<sup>rd</sup>.

Thanks,  
Anna
